1° DAY

ARRIVAL AT ANCONA'S AIRPORT – TREKKING SAN BARTOLO PARK

By private car with driver we will transfer from Ancona airport to our hotel in Ancona. Our car will take us near Pesaro, where after lunch, a nature guide will take us on a half-day easy trekking tour overlooking the sea to discover the Monte San Bartolo Park near Pesaro. The picturesque village of Fiorenzuola di Focara was even mentioned by Dante in the Divine Comedy and gives us the possibility to walk as far as the beach below. Return to Ancona. Night in Ancona.

2° DAY

BOAT TRIP ON CONERO RIVIERA

Breakfast at the hotel. Today we will admire the Regional Park of Monte Conero, an environmental oasis created around Monte Conero: 572 meters of Mediterranean scrubland overlooking the sea. We will enjoy a boat trip to discover this naturalistic wonder. There is nothing more fascinating than seeing Monte Conero from the sea. With a private boat we will enjoy a full day excursion where the Conero Riviera will show itself in all its splendour: you will live an experience immersed in nature. Possibility of bathing and lunch on board with typical products. Return to the hotel with a private transfer in the afternoon, after a free stroll around Numana. Second night in Ancona.

3° DAY

FRASASSI CAVES - TREKKING AT FORO DEGLI OCCHIALONI - VALADIER TEMPLE IN THE CAVE

Breakfast at the hotel. Transfer to Genga by car with private driver. Visit to the Frasassi Caves (tickets included), a karsts complex with underground routes among the most beautiful in Europe. The Ancona abyss is one of the largest underground cavities in the world, while the crystallized lake, more than for its size, is striking for its colors and the charm of its stalagmites. Afterwards, we will meet a guide for an easy walk near the caves that will take us to admire breathtaking views and the particular "Foro degli Occhialoni". The last exciting discovery will be the Valadier Temple, a neoclassical sanctuary built inside a cave, one of the most iconic places in the region. We will finally return to Ancona. Third night in Ancona.
