CALENDULA (PARTIAL SERVICE)

This service is ideal for couples who have already partially organised their wedding but need help with the final details and choosing certain suppliers .

So, if you have started planning and have already booked some services but would like further help to finalise everything, this is probably the service you need.

Initial meeting to establish what you have done, what needs to be done and your requirements.

We will give you advice, recommendations and suggestions regarding what remains to be organised for your wedding.

We will draw up a plan for the activities that you have not yet finalised and for which you are turning to us.

We will meet to discuss the details.

We will manage communications with all suppliers and ask them for final confirmation before the event.

We will create a timeline and wedding schedule to share with all suppliers.

We will hold a final meeting with both the couple and the suppliers to finalise the logistics and last details.

I will coordinate the suppliers on the wedding day.

I will draw up a timeline and assist them in providing the service as you wish.

IPERICO
