## An Authentic Journey

A wedding that brings you back to your roots, in the authentic heart of the Marche region.

"Radici di Marca" is an elegant yet convivial rural experience, designed to offer your guests more than just a reception—it is a true journey through the flavors and traditions of our land.

An event immersed in nature—set among meadows, vineyards, olive groves, or a villa with enchanting gardens—where the scent of the earth, local wine, and long shared tables become the heart of an authentic and unforgettable celebration.

An innovative culinary experience in style, yet deeply rooted in Marche tradition: guests can serve themselves freely, exploring each "food zone" as part of a themed gastronomic journey.
